

Ruby Korenoski

Hi, I'm Ruby and Welcome to Ruby's Outdoor Rendezvous!

I'm 11 years old and I'm in Sixth Grade. I've been going Hunting, Fishing, Camping and doing all sorts of Outdoor Sports since I was in First Grade. My Mom and Dad grew up doing these outdoor activities with their families. So, they've encouraged my sister, Vayda, and I to enjoy everything the outdoors has to offer.

I like to participate in school activities, too. I'm involved in Cheerleading, Gymnastics, Student Council, Chorus and Soccer. I also want to play volleyball and baseball. Our school has a competitive Rifle Team and I hope to join that when I get into Ninth Grade.

I really like to go to our camp at Raystown Lake. Vayda and I love to go on our pontoon boat. We go fishing, tubing, swimming, water skiing and just cruising around the lake. When we get back to camp at night, we cook over the campfire and watch the stars.

I also like to go hunting and shooting with my Grandfather. I've been going Deer and Turkey Hunting with him for the past 3 years. I like to shoot my Crossbow and my Recurve Bow. I've also gone Pheasant Hunting with him. I love to see the bird dogs work, go on point and retrieve the Ringnecks we shoot.

I started my website back in the Spring of 2015 and I have been adding my outdoor adventures to the site ever since. Now, my website is growing and it's a special place to show our viewers what's happening in the Great Outdoors. Many kids my age love their outdoor activities and I hope they will like what they see on my website.

I close my videos with this slogan: "Thanks for watching and remember at Ruby's Outdoor Rendezvous, we're on target for all seasons!"
